The screenshot shows the 'ABOUT US' page of the Dum Dum website. At the top, there's a navigation bar with links: ABOUT US, MENU, STORE, PROMO, and CONTACT. The main content features a large image of several Dum Dum cups (Mirza Bold flavor) on a wooden surface, with some loose tea leaves scattered around. A yellow-bordered box contains the text: 'Dum Dum is a thai tea brand from Indonesia that was founded in 2015 and operates by way of a franchise. They were the first brand and pioneered the Thai tea beverage franchise business.' Below this, another text box states: 'As of December 2020, there are at least more than 400 branches of this drink. These branches are not only spread in Indonesia but also neighboring countries such as Malaysia, Singapore, and Thailand. Dum actually means drink in Thai. But apart from the branding and special dishes from the land of elephants, Dum Dum is actually a local brand.'

The screenshot shows the 'ABOUT US' page of the Dum Dum website on a different desktop setup. The layout is similar to the first one, with a navigation bar and a large image of Dum Dum cups. However, the text boxes are styled differently. One box highlights 'MIRZA BOLD BEVERAGES' with a call-to-action button 'EXPLORE MORE'. Another box highlights 'DUM DUM FOODS' with a call-to-action button 'EXPLORE MORE'. The font used for these highlights is 'open sans regular'.
